

Answer Key

The 100,000-Student Classroom

Peter Norvig

TED Lectures
Note-taking Activity

1. Not very. Today's classroom still has teachers and textbooks as did the classrooms of the 14th century.
2. b) 160,000 students from 209 countries.
3. 1 on 1 tutoring.
4. 10 minute or less videos work best.
5. Pausing after the short lectures to answer questions.
6. There are few due dates for example videos are available to watch at any time, so it can create poorly motivated students.
7. They remember what it is like not to understand.
8. c) 20,000
